Care
CENTER

THE PROGRAM:

Bard College has partnered with the Care Center to launch the nation's first college for women whose educations have been interrupted or postponed by pregnancy and parenting.

To overcome some of the major barriers faced by these women, our groundbreaking program includes daycare, counseling and transportation ... plus the camaraderie of students who share their challenges.

After five semesters of successful study, graduates will receive a fully accredited Associate in Arts degree from Bard Microcollege Holyoke.

This event is CLOSED to the public!
